Notice of Exchange Proposal UTU-81900
Proposed Exchange of Lands in Tooele County, Utah

UNITED STATES DEPARTMENT OF THE INTERIOR, Bureau of Land Management,
Salt Lake Field Office, 2370 South 2300 West, Salt Lake City, UT 84119

Notice is hereby given that the Bureau of Land Management (BLM) is considering a proposal to exchange land with AJR, L.C., a Utah limited liability company; CFR-CR, L.C., a Utah limited liability company; VAR, L.C., a Utah limited liability company; and Skull Valley Company, Ltd., a Utah limited partnership. The exchange would be pursuant to Section 206 of the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1716), as amended.

The United States would acquire lands within the congressionally-designated Cedar Mountains Wilderness; lands within two wild horse habitat management areas; lands that provide crucial mule deer and elk range; an important historic site associated with the Pony Express Trail; and a water right to a spring that is important to the wild horse herds and wildlife.

Both the Federal and non-Federal lands would be conveyed subject to valid and existing rights and encumbrances of record. Subject to limitations prescribed by law and regulation, prior to patent issuance, a Holder of any right-of-way with the Federal land may be given the opportunity to convert their right-of-way to an easement or to amend the right-of-way for conversion to a new term, including perpetuity, if applicable.

Subject to any necessary legal or environmental analysis, the exchange would be completed on an equal value basis based on appraisals. Any difference in the appraised values may require the elimination of some of the above-described lands.

Subject to valid existing rights, the public lands identified above have been segregated from appropriation under the public land laws and mineral laws through January 31, 2011.

More detailed information concerning the proposed exchange may be obtained from Michael G. Nelson, Realty Specialist, at the Salt Lake Field Office, 2370 S. 2300 West, Salt Lake City, Utah 84119, phone 801-977-4300.
